*Includes “Additional Assessment for DPT Students”.

*Does not include cost of mandatory health insurance. (<https://studenthealth.ecu.edu/ship/>)

During the 3 years students are assigned to four clinical affiliation sites throughout the curriculum for a total of 32 weeks of full-time clinical experience. The student must plan for the expense of rotations away from campus (e.g., living expenses, transportation, etc.). AHEC is available at times.

****Annual tuition/fees in this table were estimated on July 15, 2020 based on best data available. The University does not publish the actual tuition/fees until shortly before the 11-week summer session begins. NOTE: Tuition and fees are determined by the UNC system Board of Governors and the ECU Board of Trustees. The Department of Physical Therapy has no control over DPT tuition and fees.**
